

AAUP Local 6741 of the AFT Stands with NEA Staff

AAUP [Local 6741](#) of the AFT stands in solidarity with NEA staff in [NEASO](#) who have been [illegally locked out](#) by the National Education Association in retaliation for a legally protected 3-day strike over unfair labor practices. In response, the National Staff Organization has [imposed sanctions on NEA](#). Local 6741 opposes NEA's union-busting tactics. We encourage higher education workers to respect NSO's sanctions by boycotting NEA events and activities until the lockout ends. As a higher ed union committed to protecting the rights of all workers, faculty and staff, we support NEA staff in their efforts to achieve a fair settlement of their demands.
