

August 6, 2024

To: NEA Management

From: The Executive Board of the Delaware State Education Association

The Executive Board of the Delaware State Education Association requests that the National Education Association end the NEA SO lockout, effective immediately, without qualifiers to the conditions around the return to work. The Board also asks that all parties commit and continue to negotiate in good faith bargaining.

Respectfully submitted on the behalf of the DSEA Executive Board,

Stephanie Ingram  
DSEA President
